

# Shade Whitesel Seminar

Effective Toy Play and Marker Words  
September 1-2 @ fetch sam!

Shade brings a unique and insightful approach to utilizing toy play in training, one that makes toy rewards true reinforcers to create reliable behaviors.

**Enable your dog to make correct choices in training while avoiding conflict and frustration.**

## Day 1:

- \*Steps to proper chase and tug games
- \*How to add obedience or agility skills to the game
- \*Marker words beyond just “Yes”
- \*Use of location dependant markers
- \*Switching reinforcement (toys to food)
- \*Working Dog Practice

## Day 2:

- \*Handlers choice on toy work, Obedience skills, or problem solving.

Shade is a Fenzi Academy Instructor, national level Schutzhund/IPO competitor with experience in AKC obedience, French Ring, and high drive dogs of all types! She has a unique motivational approach that will bring out the desire in your dog to make correct choices in training so to avoid conflict and frustration in the training process.

Costs: \$300 Working Spot for both days (registration confirmed with receipt of payment), \$150 for 2-day Audit Spot (\$75 per day). It is highly recommended that works spot students are familiar with Shade’s play system to get the most out of the seminar.
